Camden New Town Community Festival

The Camden New Town Community Festival began as a partnership of local organisations and individuals established in October 1998.

The aim is to create a festival drawing together our multi-cultural community, building partnerships, bringing enjoyment and fun culminating over a weekend in the summer. The Festival fosters many themes from Local History to Healthy Living to Green Corner to an Art Exhibition.

The Planning Group consists of local people, including a variety of organisations from Tenants and Residents Associations to Community Centre to Housing Associations and Co-ops to Youth Clubs and Pre-School Groups.

We are increasing the involvement of local people in the Festival resulting in many of the current programmes being developed.

If you wish to be involved and/or keep in touch with future plans, please complete the Return Box to the Festival Office @ Maiden Lane Community Centre, 156 St Paul's Crescent, London NW1 9XZ.

Hackney Chess Club are proud recipients of English Chess Federation Club of the Year award for 2016-17.

As one of the biggest and certainly friendliest clubs in the UK, we pride ourselves in giving a warm welcome to anyone who loves the magical game of chess.

So whatever your level, from beginner to grandmaster, we would love to hear from you and we will consider you to play in one of our eight teams covering different levels in the London, Middlesex, and 4NCL leagues. Aside from team chess, many of our players also play in individual tournaments throughout the year.
