

Maiden Lane S106: January 2016 to December 2016

The S106 funding was awarded for the following purposes:

- £48,000 per annum for eight years to be used to mitigate the effect of projected increased use by the residents of the Maiden Lane Estate.
- £5,000 per annum for eight years to be used towards capital projects and/or maintenance of the Maiden Lane Community Centre.
- £5,125 per annum for eight years as a community chest to be spent on local groups and organisations within the vicinity of Maiden Lane Estate to support existing projects and organisations that provide services benefitting the residents of the Maiden Lane Estate.

Branding S106

To ensure that tenants and residents recognise the activities that are supported by S106 funding we have designed a S106 logo. For S106 activities we print and distributed leaflets to households on the Estate.

S-106 Consultation

In 2017 Maiden Lane Community Centre undertook consultation to find out what Maiden Lane Tenants and Residents of all ages would like to see happening on the Estate. The results of the survey enabled us to plan and organise the programme we will offer from 2016 to 2018. The activities delivered with S106 funding meet the needs of the Maiden Lane community and the terms of the S106 agreement.

106 completed questionnaires were returned and the Maiden Lane Community Centre Trustees approved a two year programme comprising the highest scoring activities which were: Under 5's Drop-In and activities 49: Activities and trips for older people 45: Youth Activities, trips and residentials 43: Transitions Group for 10 to 13 year olds including trips and residentials 42: Family Activities Outings and Trips 35: Activities 5 – 10 year olds 33: Family Social Events and Meals 18: Football, basketball, gym and trampoline for children and young people 18: Adult evening and weekend activities including cooking and fitness 25.

The lower scoring activities were: Weekend activities for children and young people 2: Homework Club 3: English on-line 4: bingo 4: Yoga older people 4.

In 2016 the £5,000 capital spend was used to purchase equipment for the Maiden Lane Youth Club and IT equipment for use by Estate residents.

Highlights of 2016-17 Maiden Lane S-106 Programme

COMMUNITY CHEST

The Community Chest of £5,125 was spent in the following way:

Information Advice and Guidance programme for Maiden Lane Residents.

This project delivered by Urban Community Partnerships Urban Community Projects worked with Maiden Lane residents who were looking for work or training opportunities. The 8 residents recruited through door leafleting on the Estate and 3 referrals from the Somali Community Development group based on the estate, went through a one-to-one 'job ready' programme designed to prepare and help them back into work. The project resulted in 6 residents of Maiden Lane gaining employment and 2 registering for college courses.

Computer Skills

Following the S-106 £5,000 capital spend in 2015 that was used to purchase and install IT equipment and software we provided Open Access IT sessions, for Maiden Lane residents using the equipment purchased.

Fireworks on the Estate.

The Tenants and Residents Association organised this extremely successful Fireworks event that took place on the Estate. Over 100 local people, mainly residents of Maiden Lane Estate, attended. S106 paid for the Fireworks and the refreshments.

Under 5s Drop-In

The Under 5s Drop-In sessions took place during school term time. The sessions were well attended and 27 parents/carers and children from Maiden Lane Estate attended the Drop-In sessions during 2016-17.

Term time activities for children aged 5 to 12

Following the reduction in the funding that Camden Council received from central government in 2012 our funding for play provision for children aged 5 to 12 years was cut and in 2016 the allocation for our Under 5s Drop-In was cut. However, we have been active in raising funds from elsewhere, and thanks to the success of this activity and the availability of the S106 money, these crucial services are still available to children and young people on Maiden Lane Estate.

Holiday activities for children, young people and families

Our programme of holiday activities for children, young people and families is an important part of the service that the S106 funding supports. Holiday Play Schemes for the younger children, activities and events for young people aged 13 to 19 and residentials and trips for families enable Estate residents to take part in new activities, visit new places and experience new things.

Below are examples of the holiday activities programmes on offer during 2016-17.

Youth trip to Avon Tyrrell

A group of 14 young people from the Estate went on a two day summer camping and outdoor pursuits holiday to Avon Tyrrell.

6 Family Fun Days on Maiden Lane Estate that attracted 100+ visitors to each event.

The S106 funding was awarded to Maiden Lane Community Centre to enable us to provide learning opportunities, activities and events that will help create social cohesion on the estate. The Family Fundays are designed to achieve this by providing popular activities for the whole family. These activities are held out-of-doors during the summer months and in the Community Centre in the winter.

We plan to continue to provide Fun Days when the new development on Maiden Lane is populated so old and new residents can get to know each other. These events have proved very popular and are a good way for people on the Estate to meet their neighbours and find out what is happening in the area.

Below is a sample of the publicity for Fun Days that is produced and distributed on Maiden Lane Estate.
