

Maiden Lane S-106: 2018 to 2019

The S-106 funding was awarded for the following purposes:

- £48,000 per annum for eight years to be used to mitigate the effect of projected increased use of Maiden Lane Community Centre by the residents of the Maiden Lane Estate.
- £5,000 per annum for eight years to be used towards capital projects and/or maintenance of Maiden Lane Community Centre.
- £5,125 per annum for eight years as a community chest to be spent on local groups and organisations within the vicinity of Maiden Lane Estate to support existing projects and organisations that provide services benefitting the residents of the Maiden Lane Estate.

Maiden Lane Estate

Branding S-106

To ensure that tenants and residents recognise the activities that are supported by S-106 funding we have designed a S-106 logo. For S-106 activities we print and distributed leaflets to all households on the Estate and put the activities

and events on our website www.maidenlanecommunitycentre.org

S-106 Consultation

In 2016 Maiden Lane Community Centre undertook consultation to find out what Maiden Lane Tenants and Residents of all ages would like to see happening on the Estate. The results of the survey enabled us to plan and organise the programme we will offer from 2016 to 2018. The activities delivered with S-106 funding meet the needs of the Maiden Lane community and the terms of the S-106 agreement. 106 completed questionnaires were returned and the Maiden Lane Community Centre Trustees approved a two year programme comprising the highest scoring activities which were: Under 5's Drop-In and activities 49: Activities and trips for older people 45: Youth Activities, trips and residentials 43: Transitions Group for 10 to 13 year olds including trips and residentials 42: Family Activities Outings and Trips 35: Activities for 5 – 10 year olds 33: Family Social Events and Meals 18: Football, basketball, gym and trampoline for children and young people 18: Adult evening and weekend activities including cooking and fitness 25.

The lower scoring activities were: Weekend activities for children and young people 2: Homework Club 3: English on-line 4: bingo 4: Yoga older people 4.

In 2018 the £5,000 capital spend purchased a TV and Camera for the Youth Club, equipment for Under 5's and contributed towards a new soft surface for the Pre-School outdoor play area.

HIGHLIGHTS OF 2018 to 2019 MAIDEN LANE S-106 PROGRAMME

Youth activities. S-106 funds paid for Youth Sound Recording sessions in Maiden Lane Community Centre's state of the art studio.

Children and young people. S-106 supported an extensive term-time and holiday activities programme for the 5-14 age group.

Under 5's and the parents/carers. This group was set-up following consultation with the parents/carers of early years children.

Free Employment Service. An important service for local people who want to access advice regarding, training and employment opportunities.

COMMUNITY CHEST

The Community Chest of £5,125 was spent in the following way:

Refreshments for Fireworks. This excellent event organised for tenants and residents of Maiden Lane is always very well attended. This year S-106 paid for the refreshments for this event.

Coffee Mornings for older tenants/residents. These extremely popular sessions take place bi-weekly throughout the year. A Christmas lunch was provided during the festive period. S-106 paid for these activities.

Tumbling sessions. These sessions are for 5-16 year olds. This is a great way for children and young people to get fit and stay fit in a fun way.

A promotional poster for a free tumbling session. The poster features a black silhouette of a person performing a handstand on a black mat against an orange background. The text is arranged as follows:

Holiday activities for children, young people and families

Our programme of holiday activities for children, young people and families is an important part of the service that the S-106 funding supports. Holiday Play Schemes for the younger children, activities and events for young people aged 13 to 19 and residentials and trips for families enable Estate residents to take part in new activities, visit new places and experience new things. Below are examples of the holiday activities programmes on offer during 2018.

7 Family Fun Days on Maiden Lane Estate that attracted 120+ visitors to each event.

The S-106 funding was awarded to Maiden Lane Community Centre to enable us to provide learning opportunities, activities and events that help create social cohesion on the estate. The Family Fundays provide popular activities for the whole family. These activities are held out-of-doors during the summer months and in the Community Centre in the winter. Fundays have proved very popular and are a good way for people on the Estate to meet their neighbours and find out what is happening in the area. Below is a sample of the publicity for Fun Days that is produced and distributed to all households on Maiden Lane Estate.
